Small Group Size Outing Menu

To hold an outing at Gambler Ridge Golf Club you need a minimum of 36 players.

However, we have found that our customers sometimes have smaller groups, less than 36 golfers that would like to play golf and have a food package.

This menu is designed for just that, groups less than 36 golfers and wanting a food package.

Each player can order multiple items from this menu pending approval from their Outing Coordinator. This must be filled out and turned into the golf shop before teeing off.

Your Outing Coordinator must contact the golf shop and coordinate full or partial items from this menu and outing tee times.

All food items are prepared fresh; one golfer in each foursome must notify pro shop immediately following their round. Food will be ready within 10 minutes of pro shop notification.
